LOK SABHA

UNSTARRED QUESTION NO:2416
ANSWERED ON:30.11.2016
Promotion of Leather Industry
Tadas Shri Ramdas Chandrabhanji

Will the Minister of SCIENCE AND TECHNOLOGY be pleased to state:

(a) whether Council for Scientific and Industrial Research (CSIR) and the Central Leather Research Institute propose to raise skilled workers by setting up training centres in various States in order to promote leather industry;
(b) if so, location where such training centres are proposed to be set up statewise;
(c) whether such training centres are also proposed to be set up in Vardha and Amravati of Maharashtra; and
(d) if so, the details thereof?

Answer

MINISTER OF STATE OF SCIENCE AND TECHNOLOGY AND EARTH SCIENCES

(SHRI Y.S. CHOWDARY)

(a)&(b)Yes, Madam. CSIR-Central Leather Research Institute (CLRI), Chennai is in the process of identifying the locations in the States of Tamil Nadu, Andhra Pradesh, Telangana, Karnataka, Gujarat, Uttar Pradesh, West Bengal and Punjab for setting up training centers for imparting skill training in leather trade based on the skill training requirement of the artisans and facilities of training partners.

(c) No, Madam.

(d) Does not arise.
